

## SUGGESTED RESOURCES FOR PARENTS

THRASS is designed to assist with the phonics component of literacy. The work that you do with THRASS needs to be continually reinforced by regular reading sessions with a variety of content.

The products below should be used after reading the THRASS Information Brochure (click on the Info Brochure button in the ABOUT THRASS section of this website) and the 'Background Information For Parents' notes that you will receive when you order any of our product. Ideally you should also attend a THRASS Course in order to gain maximum benefit from these products. Our training courses may be viewed in the Professional Development section of the website.
